Food Packaging Examined

Meaford St Vincent Community Centre – Dance Hall

7:00 pm - 9:00 pm

By donation

MACA presents **Women for the Water.**

Packaging is a requirement of modern day society. It provides a stable unspoiled food source. Contaminants in the various packages can leach into your food. We will review the various basic packages and examine what packages are better choices for you. Refreshments by Meaford United Church Outreach Committee.
