RE-Use Fair Wishlist Form

RE-Use & ECO-Fair

Saturday, April 23rd, 2016 9:00 AM to 3:00 PM

What is a RE-Use Fair? A *RE-Use Fair* is a one day event where unwanted but reusable items are collected and passed on to charities, community groups, artisans, not-for-profits, schools and churches. Specific items are requested by the recipient groups. *RE-Use Fairs* are not for monetary gain but free events held to promote reuse in our community.

Deadline for sending in your wishlist? The Municipality must have your detailed wishlist on or before **Friday, March 18th, 2016.** This lead time is required for compiling and advertising the combined lists.

For best results, be very specific with your requests. For example, paint for children's crafts, rather than just paint, wrapping paper not gift bags, empty paper towel rolls not toilet paper rolls.

Name of Organization: _____

_____

Name & Phone Number of Person Picking up the Donated Items: _____

_____
